A Bridge for Research across the Atlantic

December 2014
ISSNAF (Italian Scientists and Scholars of North America Foundation) is a 501c(3) not-for-profit organization whose mission is to promote scientific, academic, and technological cooperation amongst Italian researchers and scholars active in North America and the world of research in Italy.

ISSNAF is the largest network of Italian Scientists and Scholars in Canada and the United States.

www.issnaf.org/about-us/mission
ISSNAF was established in 2008, under the auspices of the Italian Embassy in Washington, by 37 Italian world-renowned researchers of which 4 Nobel Laureates

ISSNAF Executive Director

MV served 20 years as corporate executive and consultant in strategic communications, public affairs both in EMEA and at Global level with Burson-Marsteller and Avanade. MV sits on the Board of Veropiz, and represents them in Confindustria. MV holds a Master in Public Relations and Public Affairs, a degree in Business Administration, and a certificate in Global Law. She attended leadership, crisis, mediation and cross-cultural negotiation trainings. MV is fluent in English, Italian, French, Spanish and German. MV is involved with women and cancer associations, dedicating pro-bono time.

ISSNAF Representative for Italy

ADM graduated from the University “La Sapienza” of Rome in Humanities and in Foreign Languages with a specialization in Norwegian. Since 1984, he has worked as an official of the Ministry of Foreign Affairs, directing the Italian Cultural Institutes of Tel Aviv, Edinburgh, Dakar, Berlin, Jakarta, Tokyo, Moscow, and Los Angeles. He was also Representative at the Cultural Promotion Bureau (MAE), Coordinator at the Permanent Representation of Italy at the EU in Brussels, and Member of the Committee for the 2011 Italy-Russia Year. He is fluent in Italian, English, French, German, and Norwegian.

ISSNAF Administrative and Program Manager

After graduating from the University of International Studies of Rome in Conference Interpreting with an emphasis on English and Russian, SS has earned significant experience in the field of international cultural relations working, among others, with the Italian Cultural Institute of Los Angeles and L’Italo-Americano newspaper. She is fluent in English, Italian, Russian, and Spanish.

ISSNAF Webmaster

DG is a Senior Web Project Manager and Consultant, Web Master and Senior Web Developer. DG specific focus is on website development and database administration. DG is fluent in Italian and English.
